

Biography; Amir Tsarfati was born in Israel and has lived there most of his life. Since fulfilling his mandatory service in the Israeli Defense Force, he has continued as a major in the IDF Reserve. Amir has been a tour guide in Israel for the last twenty years, and served as chief tour guide of Sar El Tours and CEO of Sar El Tours and Conferences. In 2001, he became founder and president of Behold Israel – a non-profit organization which provides worldwide real-time access to reliable sources of news and information about Israel from within the powerful context of Bible history and prophecy.

Amir is married to Miriam, and together they have four children. His home overlooks the valley of Megiddo (Armageddon) which is a constant reminder of the call that the Lord has placed on him to teach from the Bible what God's plans are for the end times.

About the ministry ; Behold Israel is a non-profit organization led by native Israeli Amir Tsarfati. Our mission is to provide reliable and accurate reporting on developments in Israel and the region. Amir's live updates and teachings, based on God's Written Word, sift out the truth on current events amidst global media bias against Israel. Through our website, free app, social media and Amir's teachings in multiple languages, we are able to reach communities world- wide. Amir's teachings abroad and in the land explain the central role of Israel in the Bible as a blessing to the nations and a way to bring them to the Word of God and the Messiah.
